RE-SUBMISSION OF SEQUENCE LISTING

UNDER 37 C.F.R. §§1.821-1.825

To comply with the requirements under 37 C.F.R. §§1.821-1.825, re-submitted herewith is a listing of the nucleotide and amino acid sequences presented in the above-identified application. The sequence listing submitted herewith contains SEQ ID NO: 22, present at page 49, line 22 of the above-identified application, which was not included in the originally submitted sequence listing.

The sequence listing is being submitted in paper copy form. Applicants in the above-identified application hereby request that the computer readable form of the sequence listing from the parent application be used in the instant application. Specifically, the computer readable form in the above-referenced application is identical with that filed in U.S. Application No. 09/647,143, filed September 27, 2000, now U.S. Patent No. 6,680,196. In accordance with 37 C.F.R. 1.821(e), please use the final computer readable form submitted on November 16, 2001 for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number, title, and filing date for the computer readable form that will be used for the instant application.

Applicants respectfully request entry of the sequence listing into the above identified patent application. The undersigned hereby verifies that the paper copy and computer readable form of the sequence listing are identical and do not contain any new matter.

In the event that a fee is required, the Commissioner is authorized to charge the account of the undersigned, Account No. 04-1406.

Respectfully submitted,
